OUR

Our Mission

To change the way our local communities care for animals - by empowering pet owners, preventing neglect, and providing direct support where it's needed most. To strengthen the human-animal bond by providing life-saving resources, education, and support to pet owners and animals in need. We are building a safer, more compassionate community.

Our Vision

We envision a world where every pet has a home, every caregiver has support, and no animal is ever left behind.

Our Values

*Advocacy • Care • Community • Compassion
Education • Respect • Responsibility • Support*

mission

Why We Exist

Every day, families are forced to make heartbreaking choices.

The Animal Resource Center (ARC) was created to fill that gap.

We are a lifeline for both animals and the humans who love them.

We provide:

- Emergency food for struggling pet parents
- Support and supplies for foster families
- Trap-Neuter-Return (TNR) program
- Education, advocacy, and real human connection
- Spay and Neuter Resources

Your Impact

Your donation doesn't just sponsor a room.

It gives a frightened kitten a safe place to recover.

It gives our entire community a place to turn when compassion alone isn't enough.

Together, we're building more than a facility.

We're building hope that lasts.

PROJECT BUILD IT

Help us create a space where compassion becomes action.

We're transforming a building in Cortland, Ohio into the Animal Resource Center (ARC) - a first-of-its-kind hub.

This is not a shelter.

It will be a space for education, support, safety, and second chances.

A place where no animal is forgotten, and no pet parent is left behind.

HOW YOU CAN HELP

This project is bold - and it needs visionaries like you.

By sponsoring a room, you'll leave a lasting legacy and provide immediate, life-changing support to animals and the people who love them.

As a thank-you for your generosity:

- Your name or business will be recognized
- You'll be recognized on our website
- You'll help shape a future rooted in compassion and community care

TOGETHER, WE'RE BUILDING MORE THAN WALLS.

We're building a resource center for animals.

We're building dignity for people.

We're building hope that lasts for generations.

*Your compassion builds more than a center -
it builds a future where animals and people thrive together.*
